Honduras Project: While a group of our members were on a Share Him trip to Honduras, Pastor Prado, who several of the team worked with, made a special request. He oversees 16 area churches and mentors young pastors. He needs a portable sound system to carry from church to church. An offering was taken at the vespers program when the team reported on the great success of the trip, but not many were there so we wanted to offer the opportunity to any others who would be interested in supporting this mission project. Just mark on your tithe envelope "Honduras Project." Thank you from Pastor Prado and the wonderful people of Honduras.
