The Staff of the McDonald Road Church would like to make an urgent appeal to members with small children and youth. We encourage you to be thoughtful of the health of others during this flu season. Please choose to remain home with your children if they have or are just getting a fever. Also please note that if Hamilton County and Adventist schools close down, we will close our children's Sabbath School classes as well. This will include Earliteens and Youth if the County closes the Middle Schools and High Schools. We thank you in advance for taking the precautions necessary to keep our children well.
